URGE SAFETY MEASURES AT INTERSECTIONS

Proper safety precautions at the intersections of Long Lane, Franklin and Breckenridge Sts. were urged by the Directors of the Gettysburg Recreation Association at a meeting in the engine house Wednesday evening. C. Donald Rebert, who raised the question, declared that four-way stop signs should be erected in order to guarantee the safety of children on bicycles. President Guile W. Lefever said the problem was under the jurisdiction of the borough council. He asked Rebert to carry the recommendation to council.

Managers of the Little League, Softball, Big Little League and the Flying Club will be invited to attend the March meeting, it was announced. Donald Peters, chairman of the property committee, urged the invitation so that the league managers and the Recreation Association may cooperate more closely on spring projects.

Raise Tennis Issue
The use of the Rec tennis courts by non-residents of town was discussed.

The fire company will be granted use of the recreation field for their carnival as in the past, it was announced. The company requested the use of the field for the weekend of July 4.

There was some objection voiced against night fireworks and also against model airplane flying. No action was taken.

The problem presented by the natural flow of water on the recreation field at the intersection of Long Lane, Franklin and Breckenridge Sts. was discussed and will be presented to the borough council.

The skating pond will be drained and leveled off for the summer, and posts and cable erected to prohibit parking on the recreation field.

A committee was appointed to study the possible sale of the gang mowers since they are not being used by the association.

Howard Shoemaker, chairman of the adult education program, announced the current enrollment of classes and teachers for the various classes: Painting, Ernest Krape, 18 students; typing, James Feather, 17 students; shorthand, Mrs. Ray Ellis, 10 students; woodwork, Jack Corbin, 13 students; sewing, Mrs. Glenn Weiland, 11 students. The total enrollment is 60 students.

Mrs. G. Donald Wickerham reported that no applications for a full-time recreation director have been received.

Fred P. Haehnlen reported that between 100 and 125 people have been attending the Saturday night dances. The smallest number was 75 on February 4. Haehnlen was granted \$75 to cover maintenance cost.

Mrs. Wickerham, treasurer, reported a balance of \$5,236.13 in the treasury.

Plan World Day Of Prayer For Children

The World Day of Prayer service for children will be held in the Christ Lutheran Church Friday afternoon at 3:30 o'clock. The theme for the service is "One Flock, One Shepherd." Mrs. Harold March will have charge of the service and Mrs. Helkinnen will preside at the organ. The Council of Church Women sponsors the service.

The program will be: prelude, "Cantabile" by Clokey; hymns, "Savior Teach Me Day By Day" and "Gentle Jesus;" the reading of Psalm 23; prayer; a devotional story, The Good Shepherd; "Bless This House," a trumpet solo by An-Lorraine March; hymn, "Savior Like A Shepherd Lead Us;" offering and offertory music, "Blessed Jesus" by Prubis; a missionary story, African Movers; "Holy Spirit Hear Us" by Willan and "Prayer" by Braum, sung by the junior choir of Christ Lutheran Church; a story, "Lost Mittens;" prayer period for boys and girls around the world; and postlude, "Onward Christian Soldiers."

3 CHURCHES TO HOLD PREACHING MISSION SERIES

A series of three preaching missions has been arranged for the churches of the Ortanna Evangelical United Brethren charge, the first of which will open at the Mt. Hope Church Sunday, March 11. All services will be at 7:30 p.m.

The Rev. Harold V. March, pastor of Memorial EUB Church, Gettysburg, will be the speaker at the Mt. Hope mission.

Sermon subjects will be as follows: March 11, "Song of Solomon"; 12, "Song of Solomon"; 13, "The Way"; 14, "The Truth"; 15, "The Life"; and 16, "The Reading Traveler."

The mission at the Mt. Carmel Church will start March 18 when George M. Neely Jr., York, will present his travelogue of the Holy Land, "Where Jesus Walked." Other services will be as follows: March 19, "Perils of Second-Hand Religion," Dr. Carl C. Rasmussen of the Lutheran Theological Seminary, and special music by the Fairfield Community Chorus; 20, "The Eternal Word," Dr. Jacob M. Myers, of the seminary; 21, "The Eternal Covenant," Dr. Myers; 22, "Jesus Teaches Us How to Pray," Dr. Harvey Hoover, of the seminary; 23, "We Believe in the Holy Spirit," Dr. Rasmussen.

Dr. Maynard Sparks, chaplain of Lebanon Valley College, Annville, will be the speaker at the mission at the Mt. Calvary Church which will open March 25. The general theme will be "God Meets Us." Topics of sermons will be: March 25, "God Meets Us in His Time and Ours"; 26, "God Meets Us When We Stand Still Awhile"; 27, "God Meets Us When We Take to the Road"; 28, "God Meets Us When All Else Fails"; 29, "God Meets Us When He Lays His Hand Upon Your Life"; and 30, "God Meets Us in Jesus Christ, His Son."

The Rev. Roger E. Burnier is pastor of the charge.

MOUNT SCHOLA ON TV SUNDAY

The Schola Cantorum of Mount Saint Mary's Seminary, Emmitsburg, the Rev. David W. Shaum directing, will appear over television station WNOV, York, on Sunday at 5:30 p.m. in a program of church music. The program, one of a series in explanation of Catholic beliefs and practices, will deal with the many variations of theme and melody. The male choir will be heard in polyphonic works of Palestrina and Byrd; Gregorian chant and Hymnody.

Rev. Kenneth H. Martin, assistant pastor of St. Rose of Lima Church, York, will introduce the choir selections, give a short history of church music and explain the different kinds. Rev. Vincent J. Smith, St. Patrick's parish, York, will offer an example of solo chant.

The program will also feature examples of music forbidden for church use, particularly stressing some of the popular wedding marches and the reasons for their ban.

SPEAKS AT HOOD

The Rev. Francis Reinberger, professor of practical theology at the Gettysburg Lutheran Theological Seminary, delivered the opening address Wednesday at Hood College in Frederick as the campus observance of Religious Emphasis Week began.

OPEN NEW SHOP

Mr. and Mrs. Glenn Wolf, who operate a pastry shop on Baltimore St., have opened Wolf's Pastry Shop in downtown Waynesboro. Mr. Wolf, who commutes daily to Waynesboro, is assisted there by his sister, Mrs. Harry Dougherty, of Taneytown.

CHILD WELFARE SECRETARY TO BE SUPERVISOR

Miss Bettie Y. Livermore, Baltimore St., director of the Adams County Child Welfare Services for nearly four years, Wednesday resigned that post, effective March 1, to accept a field supervisor position with the state Child Welfare Services. As a field supervisor she will have an office in Harrisburg and supervise the activities of Child Welfare work in several counties.

The resignation, submitted to the county commissioners, was accepted.

MISS LIVERMORE

"With deepest regret," There was no immediate appointment to fill the vacancy that will be caused by Miss Livermore's promotion to field supervisor.

Commissioners' Clerk Clarence C. Smith explained that the commissioners select a director for Child Welfare from a list of qualified persons submitted to them by the State Civil Service Board. He added that it is unknown how soon such a list will be available to the commissioners.

In the meantime, provided the appointment is not made until after Miss Livermore has completed her duties, the work will temporarily be carried on, Smith said, by Mrs. Daniel Paddock, visitor for the Welfare Services which cares for more than 100 Adams County children.

Meet Next Tuesday
The commissioners Wednesday voted to hold their regular meeting (Continued On Page 2)

If donations of used or new decks of cards, for those who have lost their sight, continue to be received by your reporter in the same quantity as the first two batches we will be over the 200 mark within the next 12 hours.

Thus far 98 decks of cards have been donated to this column to be turned over to the Association for the Blind for use by the sightless. The cards are first cleaned and the corners punched or marked in some way so that their suit and symbol can be readily identified by the blind.

"Playing cards is one of their favorite pastimes," an official of the Association said, "and donations of these used or new decks is a source of real pleasure to these afflicted persons."

If you have any old decks, please send them to this column at The Gettysburg Times office. Your donation will be appreciated.

Eisenhower Asks Full Support Of Red Cross

THOMASVILLE, Ga. (AP) — President Eisenhower today appealed for liberal financial support of the American Red Cross. He said unprecedented demands on the agency's resources have "dangerously depleted" its disaster relief funds.

At his vacation headquarters here the President proclaimed March as Red Cross Month, and said:

"I urge all Americans during that month to assure the continuing effectiveness of the work of the Red Cross by contributing liberally of their funds and by enrolling for active membership in this deserving organization."

Eisenhower said that in its 75th year the Red Cross "ministered to the needs of disaster sufferers on a scale never before equalled in its history, in consequence of the tragic floods" in states of both coasts.

GAVEL GIFTS OF LOCAL CLUB ARE WELL RECEIVED

The Soroptimist Club, following an established custom, some time ago sent a gavel made of wood from the battlefield to the newly organized Soroptimists in Yorkers. N. Y. In acknowledging the gift, the Yorkers club sent the following to The Herald Statesman:

"It's a great pleasure to discuss today the building of human bridges, by which Yorkers is enabled to reach to another community with a handshake of good will and mutual exchange of good wishes. A good community, like a mature and intelligent individual, spends time and effort in building such 'bridges' and keeping them in good repair. For bridges tend to promote mutual understanding and mutual respect. People can travel both ways on such a span, with benefits for all concerned. If ever this nation heals its differences between the North and South, between East and West, between religious and racial groups, it will be by the erection and utilization of such human bridges."

Receive Gettysburg Gavel
"One of these community bridges is between the City of Yorkers and Gettysburg, Pa. — the scene of the great battle in the Civil War and now the community which President Dwight D. Eisenhower calls home."

"Newly arrived in Yorkers is a gavel, made by hand by a master craftsman in the Gettysburg area, of wood from the battlefield site. It has arrived from the Soroptimist Club of Gettysburg — through its hospitality chairman, Mrs. Violet E. Hill — as a gift to the newly organized Yorkers club of Soroptimist International, a service club for women. It is now in the possession of the club's first president, Miss Dorothea Gensinger."

Send 3 Other Gavels
Mrs. Violet Hill read the acknowledgment at the meeting of the local club in the YWCA Tuesday evening. Acting for the hospitality committee, Mrs. Hill had sent the gavel to the Yorkers club as is the custom when a new club is (Continued on Page 3)

GRAVESIDE SERVICES

Graveside services will be held Saturday morning at 10:30 o'clock at the Bender's Cemetery, near Table Rock, for William A. Muller, who died Tuesday evening in Cumberland Twp. Rev. Harold W. March, pastor of the Memorial EUB Church, will officiate. The service will be in charge of the Peters Funeral Home, Carlisle St. The deceased is survived by a foster daughter, Mrs. A. R. McCurley, R. 4.

APPOINTED MASTER

Attorney John A. MacPhail has been appointed by the court as master in the divorce action brought by Virginia Oille (Musselman) Cline against Oliver Lawrence Cline.

Raging Floods And Freezing Weather Hit Europe Again

By COLIN FROST

LONDON (AP)—Raging floods and a new cold wave struck much of Europe and parts of the Middle East today, piling misery on misery in a 17-day freeze-up which already has cost 568 lives.

Torrential rains and melting snows brought Turkey new disasters of the worst winter on record. The known dead there totaled 72.

Ice jams and a brief thaw sent the Rhine and scores of rivers rampaging over their banks in central Europe.

Yugoslavia estimated its flood damage from the Strumica River alone at a million dollars.

The Netherlands reported the coldest night since 1942, with temperatures down to 13 below zero.

Even sunny Spain froze up again after warmer weather yesterday. Behind the cold wave lurked the specter of famine. Crop losses already ran into millions of dollars.

Scores Are Lost

Known deaths attributed to the weather were:

STATE SUING TWO COUNTIES FOR \$5,308.15

The Commonwealth of Pennsylvania has brought suit against Harold P. Irvin, Ortanna R. 1 and Lottie M. Irvin, Biglerville, for \$5,308.15 which the state claims they owe it for public assistance granted Mrs. Irvin and their children from 1952 to 1955.

In an action in assumpsit filed today with the county prothonotary, the state alleges that it paid \$5,308.15 as general assistance to Mrs. Irvin and as aid to dependent children for the children of Lottie M. and Harold P. Irvin over a period beginning August 30, 1953, and ending August 23, 1955.

Have Property

According to assumpsit action filed for the state by Attorney John A. MacPhail, under the law of June 24, 1937, real or personal property of any person is expected to provide for the support, maintenance and assistance of spouse and children, and that if a person owns property while receiving assistance, the state is to be reimbursed from that property. The complaint alleges that the Irvins owned property in Biglerville while receiving assistance from the state.

The complaint also alleges that the state has asked the Irvins for the money that it spent in providing assistance and that the Irvins have "failed and refused" to pay.

Union Lenten Series For Arendtsville

The congregations of Trinity Lutheran Church and Zion Evangelical and Reformed Church, Arendtsville, will hold a series of Union Lenten services each Sunday evening of the Lenten season at 7:30 o'clock.

The pastors of the two congregations, the Rev. Robert K. Shaull and Rev. Nevin R. Frantz, have announced the following schedule of services and the sermon themes: February 19 in Trinity Lutheran Church, Rev. Frantz preaching, "Faith, the Only Requisite" (the healing of the Nobleman's son); February 26 in Zion Evangelical and Reformed Church, Rev. Shaull preaching, "Christ, the Restorer of Lost Powers" (the healing of the blind man); March 4 in Trinity Lutheran Church, Rev. Frantz preaching, "Christ, the Food by Which We Live" (the feeding of the five thousand); March 11 in Zion Evangelical and Reformed Church, Rev. Shaull preaching, "Christ Our Guide" (Jesus walking on the water); March 18 in Trinity Lutheran Church, Rev. Frantz preaching, "Christ Our Light" (the healing of the man born blind); March 25 in Zion Evangelical and Reformed Church, Rev. Shaull preaching, "Christ Our Life" (Jesus' raising Lazarus from the dead).

Mrs. Mary G. Plank Is Interred Today

Funeral services for Mrs. Mary G. Plank, 75, widow of Walter M. Plank, who died Monday at the home of her son and daughter-in-law, Mr. and Mrs. William A. Plank, 604 York St., after several months illness, were held this morning with a requiem mass at St. Francis Xavier Catholic Church at 9 o'clock with the Rev. Fr. Anthony F. Kane officiating. Interment in St. Francis Xavier Cemetery. The pallbearers were Daniel Rider, Charles Rider Jr., Joseph L. Rosensteel, Bernard V. Miller Jr., Wayne Shields and Glenn Shields.

ARMY FUGITIVE IS RECAPTURED

Carlisle State Police Wednesday morning apprehended at a Gardner R. 1 home the 19-year-old youth who escaped Tuesday from the New Cumberland Disciplinary Barracks, where he was serving a sentence for forgery.

Alvin E. Forsythe, formerly of Florida, was apprehended at 10 a.m. by troopers at the home of Roy Myers, Smith's brother-in-law. Police said, just 24 hours after his escape.

Troopers said a tip from a highway worker who had seen Forsythe hitch-hiking Tuesday in his brown fatigue clothing led them to the home of Bruce Smith, of Aspers, a former Army friend of Forsythe's.

Troopers learned that Smith had taken the fugitive to the home of Roy Myers, Smith's brother-in-law where he was picked up.

The youth had thrown away his fatigue clothing and was wearing blue jeans and a red plaid shirt. Smith had given him, State Police said, Forsythe was turned over to military authorities and taken back to the New Cumberland General Depot.

FIFTH DISTRICT MEETING

The Fifth District Youth Council will meet Monday evening at 7:30 o'clock at the Idaville UB Church. Devotions will be in charge of the host church. An invitation is extended the public to attend.

Four From Times At Ad Conference

Four members of the advertising staff of The Gettysburg Times will attend the 1956 Display Advertising Conference at the Penn-Harris Hotel, Harrisburg, Friday and Saturday. It is sponsored by the Pennsylvania Newspaper Publishers Association and the Interstate Advertising Managers Association.

The local representatives will be Carl A. Baum, advertising manager, E. E. Wolf, C. William Harbaugh and Mrs. Martine Baer.

The Times will have six display advertising exhibits at the conference.

NEW TESTING PLAN OKAYED BY DHIA UNIT

The Adams County Dairy Herd Improvement Association directors, meeting Wednesday evening at the Court House, voiced their approval of a new system that would set up a central tester's laboratory and probably permit all 400 herds in the county to be handled by one tester.

Whether the system will come into existence depends to a large extent upon the action of the other DHIA groups in the state and approval by the various dairy cattle breed associations.

Outlined to the directors Wednesday evening was a plan by which Pennsylvania State University would set up machines to do the mathematical work which now must be carried out by the testers to give the farmers the information they want about the results of the tests of the milk of their herds. The machines, which cost more than \$100,000, can turn out the reports, with more detail, within a few moments, where testers now must work for hours and sometimes days to get the same information.

Might Reduce Costs

Under the plan, with the mathematical calculations left up to the machine, the tester would no longer visit each farm to test samples of the milk and work out the detailed calculations at each farm. Instead collectors would pick up samples of the milk at each farm and bring them to a central laboratory where one tester would run the chemical tests and then report the results to State University where the data would be fed into the machines and the final results reported.

At present a tester can handle only about 25 herds a month, because of the necessity of spending a full day at each farm. The farmer is required to give the tester a night's lodging and meals under the present arrangement. Directors of the county DHIA held that the new plan, if it can be worked out, will permit the testing at a decreased cost to the individual dairy herd owner.

Because of the expense of installing the machines and the speed with which they operate, the system can be worked economically only if the volume of reports is great enough to keep the machines operating steadily. Approval must also be given by the breed associations as to whether they will accept the machine made reports. One national breed association has already granted its approval, according to reports received at Wednesday's meeting. The machine-made reports system has been in effect in Michigan for about 13 months and is being started in New York state.

Governor Leader Will Deliver Commencement Address June 3 At College And Receive Degree

GOVERNOR LEADER

Pennsylvania's governor, George M. Leader, will deliver the annual commencement address at Gettysburg College on Sunday afternoon, June 3, and a few minutes later will receive the honorary degree of Doctor of Humane Letters from the college.

Governor Leader was a student at Gettysburg College from 1935 to 1938 and then transferred to the University of Pennsylvania where he was graduated in 1939. Before becoming governor of Pennsylvania last year, Leader was a state senator from York County for four years.

The 124th commencement exercises will be held the afternoon of June 3 with baccalaureate services in the morning.

Baccalaureate Speaker

The baccalaureate speaker, also announced today at the college, will be Dr. Voligt Rhodes Cromer, president of Lenoir Rhyne College at Hickory, N. C.

Dr. Cromer also will receive an honorary degree, Doctor of Laws, at the commencement exercises in the afternoon.

Dr. Cromer, a North Carolina native, has been president at Lenoir Rhyne since 1949. He is a former president of the United Evangelical Lutheran Synod of North Carolina and previously served pastorates in Summerville, Lincoln, Concord and Hickory, N. C. He is a graduate of Lenoir Rhyne College in the class of 1925. In 1947 that institution conferred the honorary degree of Doctor of Divinity.

The baccalaureate preacher has served as a member of the Board of Social Missions of the United Lutheran Church in America, as a ULC representative to the National Lutheran Council, as president of the alumni association of the Lutheran Theological Seminary and as a North Carolina synod delegate to the ULCA. He is known as an author and has preached twice on the United Lutheran Hour and once on the CBS Church of the Air.

CONFERS WITH CHEST LEADERS

Vinico Fisher, Reading, regional director of the Pennsylvania United Fund, was guest of honor Wednesday at a luncheon meeting at the Hotel Gettysburg at which he began a 10-day survey of the local Community Chest fund campaigns for the purpose of making such suggestions as may seem appropriate for changes in future fund drives.

Fisher's services were offered the local Community Chest free of charge by the United Fund when the local group, unable to raise its quota for the last several years, sought suggestions concerning methods employed elsewhere in similar campaigns which did reach their goals.

Fisher met with Dr. W. E. Tilberg, Judge W. C. Sheely, Attorney Donald M. Swope, Community Chest President John C. Stahle, Attorney John MacPhail, Attorney Eugene Hartman, Mrs. Stanley Hull and Chest Secretary John Welshone Thursday at the hotel.

Earlier Wednesday he met with Attorney MacPhail to go over the fund drive conducted by MacPhail when he served as vice president and campaign chairman for the Chest. Today he met with President Stahle to go over last fall's campaign which Stahle headed.

When he has completed his survey, Fisher plans to present such suggestions as may appear appropriate from experiences of other similar drives throughout the state in the effort to build up a more successful campaign for next year.

Ike Writes Thanks To Country Club

President Dwight D. Eisenhower is looking forward to more golf at the Gettysburg Country Club, he has indicated in a recent letter to Kenneth G. Reinhart Jr., secretary of the country club.

In a letter acknowledging the honorary membership card for 1956 that the club sent the President early in January, the President wrote:

"Thank you very much for sending me a membership card for 195

MORE DAMAGE SUITS FILED

Other occupants of the car driven by Charles Edward Moore, late of Richmond, Va., when it collided February 6, 1954, with a car operated by Frederick Eugene Landis, late of Cashtown, seven miles south of here on the Emmitsburg Rd., have brought a trespass action against Landis' estate.

Several weeks ago Joseph W. Moore, Richmond, Va., father of Charles Edward Moore, who was fatally injured in the crash, brought a trespass action against Jesse C. Landis, Cashtown, administrator of the estate of Frederick Eugene Landis, who also was fatally injured in the crash. The Landis youth and the Moore youth were the operators of the two vehicles involved in the smash-up.

A countersuit has been instituted by Landis against Moore.

Today's addition to the action before the county court is a trespass suit brought against Jesse C. Landis, administrator of the estate of Frederick Eugene Landis, by David A. Benton; Sue Ann Benton by David A. Benton, her guardian; Robert D. Padgett; John E. Ford; Patricia Ford by John E. Ford, her guardian; P. R. Christian, and Mary Christian by P. R. Christian, her guardian; Sue Ann Benton, Robert Padgett, Patricia Ford, and Mary Christian were occupants of the Moore car at the time of the crash and are seeking damages for injuries sustained in the accident, according to Attorney Donald M. Swope, who is representing them in the case.

a scavenger hunt will be held.

Miss Ja, who was born April 4, 1941, lost her mother and father when she was 12. As she had no home and no one to support her the young girl appealed to the Sungbin Girls' Dormitory for help. She is in the second year Middle school and is making progress in her studies. Song Mun hopes to become a teacher. Her teachers describe her as "pleasant and mild in character." The young Korean's name means "Girl to be a favorite with literature."

In appreciation for the kindness shown her by her young parents at the New Oxford church Song Mun wrote the following letter:

"Dear Father and Mother in America, I believe you are getting along quite well by God's great love. I am also all right in His fullest grace, and study as hard as I can. It is really beyond description for me to express my thanks to God for His giving me new parents in Christ."

"I lost my father when I was twelve years old and became helpless and homeless during the war. This is why I was brought to this happy home of Sungbin Girls' Dormitory."

"Now I am a newly born girl in your love. I wish you to take me as your daughter. I am so happy that I shall make it only my duty to believe in God with both my inward and outward beings."

"I hope I can see you some day. I wish you good luck."

next Tuesday, because of the holiday, Washington's Birthday, occurring on Wednesday. The holiday is one of those on which the court house is closed.

Decision was made to ask for bids for gasoline for the county home farm and No. 2 fuel oil for the furnace in the administration building at the county home.

The commissioners reported that because of difficulties with laundry equipment at the county home, and to free employees at the home for more time with the residents of the home, much of the laundry for the home is now being "sent out" for "wet washing." The commissioners said the move was an experiment to determine whether it will be more economical to send out the county home laundry or provide new laundry quarters and machinery.

A letter of invitation was received from the Junior Chamber of Commerce to attend their Young Citizens Award Dinner on February 21. It was reported that eight members attended the dinner of the Heart Association earlier in the month. Miss Virginia Myers, ways and means chairman, reported that her committee will have a rummage sale on April 7 and a Parcel Post sale later in the spring.

Mrs. Guyon E. Buehler, public relations chairman, reported on the January meeting of the Women's Civic Council and upon her recommendation the club voted to give \$5 toward the purchase of a copy of the film "The Story of Gettysburg." She invited the women to attend the World Day of Prayer services being conducted by the Gettysburg Council of Church Women at Christ Lutheran Church on Friday at 2:30 p.m.

Reservations for the regional spring conference to be held at Altoona, April 13, 14 and 15 are to be made at once.

Set Drive Dates
Due to other financial drives being held this month the campaign to raise funds for the Adams Day Care Center will be conducted March 1-29. Letters will be sent to countians and coin boxes will be placed in public places. The goal is \$1,000 and the funds received will be used to equip the new rooms of the Day Care Center in the plank building on E. High St.

On April 28 the club's annual Soroptimist Dinner will be held at the American Legion, when husbands and other guests will be entertained. The affair is being planned by the board of directors.

The monthly prize contributed by Miss Anna Weaver, Littlestown, was won by Mrs. Harry Scott.

Eighteen members were present at the meeting.

Previous to the business meeting Miss Stallsmith held a meeting of the board.

hostesses for the next meeting on Tuesday, March 13, will be Mrs. Donald C. Arbogast, Mrs. Horace Koontz and Mrs. Edward B. Gelman.

U. S. Business Sets New Record

WASHINGTON (AP) — The Commerce Department has put its official stamp on a statement that comes as no surprise: The United States was more prosperous in 1955 than ever before.

Final figures released by the department showed that total production of goods and services hit 387 1/4 billion dollars last year — 2 1/2 billions, or 7 1/2 per cent, more than in 1954.

Production thus topped the previous peak, set in 1953, by 22 1/2 billions, or 6 per cent. National income also hit a record high, the report said, with all segments of the economy except agriculture sharing the gains.

COUNTY BOARD TO MEET

The Adams County Board of School Directors will meet Friday night at the office of the county superintendent of schools at the court house.

TWENTY YEARS AGO

Epley Wants To Purchase Plow To Clear All Streets: Following receipt of appeals from many residents on streets of Gettysburg that the main thoroughfares be cleared of the heavy snows, C. W. Epley, president of the borough council, today announced that he will ask town council to purchase a snowplow to attach to the front end of a borough truck to be used in clearing streets.

Supreme Court Upholds T.V.A.: Washington, Feb. 16 (AP) — The government won a major victory in the Supreme court today when the nine justices held the TVA could dispose of surplus power manufactured at Wilson dam, at Muscle Shoals, Alabama.

2 Snowladen Roofs Cave In Under Pressure: Additional reports of damage to property in the county as a result of Thursday's snow and sleet storm reached Gettysburg today.

The six-inch snowfall, beaten down by hours of sleet and rain, rendered unimproved roads in the county practically impassable. Snow that had drifted to the depth of two feet on the roof of the battlefield camp and lunch room at the intersection of the Emmitsburg road and West Confederate avenue caused the shelter to collapse Friday afternoon.

The roof on the dance floor at the Rock Top Inn on the second curve of the Lincoln Highway west of Cashtown caved in on Friday.

A large barn on the farm of B. W. Redding, Gettysburg R. 2, collapsed Saturday afternoon due to the weight of snow on the roof. Mr. Redding's son, Bernard Jr., narrowly escaped injury. He had completed his chores in the barn and left the structure just a few minutes before it collapsed.

9 Start Club In New Oxford: A copy of the articles of incorporation for a proposed social and athletic club that is to be formed by nine residents of New Oxford was placed on file in the office of the prothonotary C. Arthur Braine this morning.

These men are listed as the incorporators: Fred Klunk, Cyril Staub, Norman Overbaugh, Arthur Soullard, Allen Hockensmith, James Myers, Charles Carbaugh, Charles Rinehart Sr., and James Smith. All give their addresses as New Oxford. The incorporators list cash assets of \$210.

15 Directors Re-Elected by Ag. Association: Fifteen directors of the Adams County agricultural extension association were re-elected for a term of one year at the twentieth annual meeting of the organization Wednesday at the Gettysburg high school.

Those re-elected were: Harry E. Brown, Fairfield; John Peters, Gardners; Roy Raffensperger, Biglerville R. 1; John C. Bream, Gettysburg R. 2; N. C. Miller, New Oxford; A. D. Knouse, Biglerville; R. M. Spangler, Gettysburg R. 4; A. B. C. Williams, York Springs; Robert Durbarow, Gettysburg R. 2; Edgar Leer, York Springs; Roscoe Worley, Hanover R. 4; Mrs. B. E. Benner, Iron Springs; Mrs. H. H. Beamer, Gettysburg R. 4; Mrs. Howard Schwartz, Littlestown R. 2; and Quintin D. Rebert, Littlestown R. 3.

School Board Takes Steps To Pay For Annex: Gettysburg's board of education in regular February session Monday night in the high school office adopted a roll call resolution setting aside \$29,250 of current funds towards the erection of the high school annex and then adopted a second resolution authorizing the board to borrow \$23,000 from a local bank to comprise the grand total required from this school district for the school annex.

CCC Enrollees Authorized To Clear Streets: Wednesday afternoon enrollees from the two C.C.C. camps on the battlefield started clearing snow from the main streets of Gettysburg.

This is the second time this winter that enrollees were called up

Today's Talk

GO PIONEERING!

The beginnings of anything are always interesting for they stir up the adventure spirit within us. We see what we never knew, and we get a picture of what we might have observed and experienced had we lived at an earlier date.

In a large sense we are all pioneers, or can be. In my reading recently I ran into a fact I had passed over time and again without giving it a nod! If we merely "stop, look, and listen," a dozen or more doors will be instantly opened to us for all the pioneering we can handle. The scientist and inventor is forever pioneering. That's why things keep growing about us, and why our newspapers are so filled with attractive bargains.

Every comfort we now enjoy is largely the result of pioneering on the part of someone. Who can say what the benefits will be from the pioneering of Admiral Byrd? Never have there been so many attractively styled automobiles as right now. Five years from now they all may appear out-moded, so restless are those who delight in pioneering!

When a long-established business shows evidences of stagnation and slow-up, what smarter thing can that business do than a little pioneering, giving to it new life and vitality? I can recall seeing my first automobile as it sputtered its way through the little western town where I then lived. Driving it was an excited pioneer — and back in some shop were others pioneering!

Go pioneering! That's how we know so much about our birds and animals. Pioneers hunted them out, studied them, photographed and painted them, so that hardly a single bird today is unknown. Audubon was an inspired pioneer, leaving to the world one of the most beautiful groups of bird studies ever created. Many of them so rare as to be almost priceless.

Tomorrow Mr. Adams will talk on the subject: "Critics!"

Just Folks

"STETHOSCOPE PETE" when he's making a test.

Runs an ice-cold device left to right on my chest.

And indifferent to any complaint he appears.

Since he tells me that nothing I mutter he hears.

He tells me to cough when he's sounding my back.

Then grabs for my stomach and gives it a whack.

He asks how I slept, and whatever I tell.

He answers with this: "You will shortly be well."

I know every movement of "Stethoscope Pete."

He'll look at my ankles, and glance at my feet.

"Just rest a bit longer," departing he'll say.

"Remember the dosage, four tablets a day."

I should call him doctor. That title he earned.

Of the heart and its function so much he has learned.

But because of that thing round his neck, when we meet

I think of him now just as "Stethoscope Pete."

Pleads Guilty To Huge Oil Swindle

NEW YORK (AP) — Robert H. Schlesinger, 38-year-old playboy son of a millionaire mother, pleaded guilty Tuesday to an oil stock swindle.

He had used \$132,000 of the proceeds from a shaky Louisiana oil promotion to buy jewelry for actress Linda Christian.

The husky, unmarried Schlesinger faces a possible maximum sentence of 10 to 20 years. He might get off with less by making restitution to the three men he duped in the oil deal.

General Sessions Judge John A. Mullen scheduled sentencing for March 14.

Schlesinger's mother, the former Mona Williams, inherited 12 million dollars in 1953 from her second husband, Harrison Williams. She is now married to Count Albert Edward Bismarck.

SOVIET LEADERS HATED STALIN; WANT TO FORGET

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP)—Joseph Stalin was such a complete dictator he looked like a Hollywood production. But no one was ever swept under the rug faster than Stalin after his death in 1953.

In his lifetime he was treated as a kind of Soviet saint, a combined folk-hero and wonder-man. In death he has disappeared almost into oblivion. Westerners have long wondered why.

This week his successors, his own hand-picked disciples, have given the answer without mentioning his name: they got fed up with his one-man show and, apparently, even of his memory.

Despised Their Leader
From what they say now they must have despised him. They didn't show it while he was still around, or they wouldn't be around. He was the Communist party. He held the life of every Russian in his hand.

Pictures of him, alone or with Lenin and Marx, adorned the country. After his death his pictures began to come down.

The Communist-owned Russian press groveled when it mentioned him, which was always. He was glorified with adjectives sometimes so ludicrous they seemed chosen with malicious irony. Now his name is hardly mentioned.

Condemns Stalin
The answer to all this came Tuesday from the new Communist party boss, Nikita Khrushchev, in a long speech to the party Congress in Moscow. He mentioned Lenin and Marx many times but Stalin only once by name, and then in passing.

Khrushchev told his fellow Communists from all over Russia that he and the other new leaders are acting as a team. Collective leadership, he called it, referring to the top men on the party's Central Committee.

Then he issued a slashing condemnation of Stalin without using his name. Explaining why Stalin has been shoved into Communist limbo, Khrushchev said:

"Everyone can see how much the role of the Central Committee as the collective leader of our party has grown in recent years."

Praises Collective Leadership
"It took steps to explain widely the Marxist-Leninist conception of the individual in history."

"It vigorously condemned the cults of the individual as being alien to the spirit of Marxism and Leninism, and making a particular leader a hero and miracle worker. At the same time this belittles the role of the party and the masses."

This was saying that Stalin, in permitting and encouraging his own glorification, had betrayed the spirit of Marx and Lenin. But Khrushchev went further, suggesting that Stalin had even hurt the progress of communism. He said:

"Currency of the cult of the individual tends to minimize the role of collective leadership in the party, and at times results in serious drawbacks in our way."

Cobbler Answers \$64,000 Question

NEW YORK (AP)—Michael della Rocca—with a bit of counseling from fellow cobbler Gino Prato—has hit the \$64,000 jackpot by answering questions about opera on a television quiz show.

Della Rocca, a 54-year-old Italian immigrant, plans to use part of his winnings to improve the amateur operas he stages as a hobby at the high school in Baldwin on Long Island, where he lives.

He answered a 14-part question on grand opera last night on the CBS TV program "The \$64,000 Question." Income taxes will take about half the money.

He could have quit and taken the \$32,000 he won last week on his fourth appearance on the show. Only two other contestants had won the grand prize.

Exercising his prerogative of taking an expert adviser into the isolation booth with him, he chose Prato of the Bronx, who won \$32,000 in the opera category on the show last Aug. 9 and quit.

Dr. Eisenhower To Get Korean Award

WASHINGTON (AP)—Dr. Milton Eisenhower, president of Pennsylvania State University, will receive the highest civilian award presented by the Republic of Korea tomorrow at ceremonies at the South Korean Embassy.

Dr. Eisenhower, brother of the President, is being cited for his organization and leadership of the American-Korean Foundation of which he is chairman.

In making the announcement yesterday, ROK Ambassador to the U. S. U. Chan Yang said he will make the presentation on behalf of his president, Syngman Rhee.

The Penn State president, who is regarded by the Korean people as "their great, good friend," through his leadership were given mercy, kindness and material assistance to the sufferers from Communist aggression," the ambassador added.

ICE CAPADES OPEN TONIGHT

HERSHEY, Pa. — Sir James M. Barrie's immortal story, "Peter Pan," will be done on ice for the first time when Ice Capades of 1956 opens at Hershey Sports Arena, tonight.

For Donna Atwood, star of the show for the past fourteen seasons, it will be her swan song as a regular performer.

After making the trek from coast-to-coast doing the Peter Pan role, Miss Atwood will retire and settle down to the business of raising her three children.

Except for condensing the fantasy into capsule form, the show will be much like the Broadway and television production, which featured Mary Martin. There will be flying sequences as Donna, as Peter Pan, soars over the ice, plus appearances by all the colorful characters, including the notorious Captain Hook, the Indians, the Pirates and the many animals.

Bobby Specht will do a solo in a sequence called "Caged Beauty," and later skating a pair with Miss Atwood in "Fantasy in Pink" in which they skate to the rhythms of Ravel's "Bolero."

Man Convicted Of Income Tax Neglect

WILMINGTON, Del. (AP)—Stuart A. Atkins, an executive of E.I. du Pont de Nemours and Co., Inc., today faces a possible maximum sentence on three separate counts of \$10,000 fine, one year in prison or both.

An all-male jury deliberated 63 minutes yesterday before returning a verdict of guilty on an indictment for willful failure to file income tax returns in 1951, 1952 and 1953.

Federal Judge Richard S. Rodney deferred sentence until today.

Atkins testified an internal revenue agent solicited bribes from him in the course of some 20 interviews about the tax case. Through his attorney, he admitted the tax failures but denied they were willful.

His defense was called "an inherently incredible story" by Asst. U.S. Atty. H. Newton White.

JUDGE EXPIRES

PITTSBURGH (AP)—Funeral services are scheduled tomorrow for James Milholland, 68, president of the board of trustees of Pennsylvania State University for the past 10 years. Milholland, a former Allegheny County Orphanas Court judge, died Tuesday night.

EDDYSTONE, Pa. (AP)—The Baldwin-Lima-Hamilton Corp. today delivered the first of a dozen Diesel-electric locomotives ordered by the Pennsylvania-Reading Seashore Lines.

All 12 of the locomotives, costing \$1,380,000, will be delivered within the next two months. They will be assigned to passenger and freight service between Philadelphia-Camden and Atlantic City, Ocean City, Cape May, Wildwood and other South Jersey points.

The Old Smoothies, Helen Davidson, Rosemary and Bobby Maxson, Jackson and Lynam, Alan Konrad, Folgie and Larson and the Maxwells, the latter a slow motion comedy pair. And, adding to the fun, Eric Waite, one of the ice world's top comics, has returned after an absence of several years.

Bullets Fold In Second Half As Navy Triumphs 73-44; Frosh Also Beaten 83-70

An almost complete collapse in the second half proved disastrous to the Gettysburg College cagers who suffered a 73-44 drubbing at the hands of Navy Wednesday afternoon at Annapolis.

Navy ran off to a 9-1 lead in the first four minutes to lead throughout. Sparked by Al Tett, Bob Walsack and Frank Capitani, the Bullets sputtered in the final minutes of the first half to slash the midshipmen's margin to 32-28.

Following intermission Navy boosted its edge to 38-28 but a goal and three fouls by Tett cut the margin a little later to 39-33.

Navy then sewed up the decision on a run of 14 straight points. Following that Coaches Bob Davies and Ben Carnevale substituted freely and the reservists finished out the game.

During the second half the Bullets had two long stretches when they failed to tally, one of seven minutes and another of five.

Gettysburg connected on but 12 of 50 tries from the field while Navy landed 22 of 58. In the last half Gettysburg netted but four of 20 tries.

Bucknell Here Saturday
The loss was the ninth against six wins for the Bullets. They will meet Bucknell here Saturday evening when they will seek to avenge a previous setback at Lewisburg.

The Navy Plebes led all the way in stopping the Bullet freshmen 83-70. Behind 44-38 at half, the freshmen closed the gap at 68-64 with three minutes remaining but the Plebes finished strong to sew up the verdict. Charley Hoffman collected 21 points for the Bullets while Frank Mascoli landed 24 for the winners.

COLLEGE SWIM TEAM TRIUMPHS OVER DELAWARE

The Gettysburg College swimmers won their second meet of the season by edging the University of Delaware 43-41 in the Blue Hens' pool Wednesday.

Ken Newbould and Bob Gilchrist were double-winners for the Bullets and both swam on the winning 400 freestyle relay squad. Newbould took the 200 and 400 freestyle while Gilchrist captured the 50 and 100 freestyle events.

Gettysburg's 300 medley relay team, consisting of George Allison, Bill Sutherland and Ron Paul, took that event. Paul and Tom Oates were also members of the 400 freestyle relay victors.

Delaware won the 200 individual medley, diving 200 backstroke and 200 breaststroke.

In a special 200 freestyle event, Bob Smith, Bullet freshman, was the winner.

Jim Leutz will take his men to Philadelphia for an engagement with Temple University Saturday afternoon at 3 o'clock.

GOLF

PALM BEACH, Fla. — Anne Quast, Marysville, Wash., and J. Walcott Brown, Manassas, N.J., defeated Mrs. Philip Cudone, Montclair, N.J., and Willie Turnesa, Knollwood, N.Y., 2 and 1 and continued to dominate the mixed foursome tournament.

LAKE WORTH, Fla. — Jim Hearn, New York Giant pitcher, 233, won the baseball division, Dale Petters, Troy, Ohio, 221, topped the amateur division and Otto Graham, Cleveland Brown football player, 227, headed the celebrity division in the Cavalcade of Champions tournament.

VERMILION, S. D. — Harry Gamage, university of South Dakota head coach since 1934, said he is resigning because of poor health.

BASKETBALL
BROOKLYN — Joe Lapchick, former coach of the New York Knickerbockers, will return to his old job as coach at St. John's of Brooklyn.

RACING
MIAMI, Fla. — Summer Solstice (\$720) scored by 3/4 of a length in the \$25,700 Bougainvillea Turf Handicap at Hialeah.

ARCADIA, Calif. — Bright Night (\$12) upset favored New Trend in the \$10,000 feature at Santa Anita.

Roberts Signs For In Excess Of \$50,000

PHILADELPHIA (AP) — Robin Roberts today signed a contract reportedly in excess of \$50,000, making the great right hander the highest paid pitcher in baseball and one of the top salaried hurlers in National League history.

The 29-year-old Roberts won 23 and lost 14 last year for the fourth place Phillies in the National League. It was the sixth straight year that the Springfield, Ill., native turned in a 20 or more victory season, a feat accomplished by only four other pitchers in baseball history—Lefty Grove, Walter Johnson, Mordecai "Three Fingers" Brown, and Christy Mathewson.

The star hurler expects to leave for the Phillies Clearwater, Fla., training base in a few days.

NFL-CANADIAN BICKERING MAY BE NEARING END

PHILADELPHIA (AP) — Ralph Cooper, chairman of the Canadian Football Council, went home last night to ask his colleagues for absolute authority to negotiate a working agreement with the National Football League.

Cooper met here yesterday in a novel open forum—the press sat in on actual discussions—with Bert Bell, commissioner of the NFL. The two agreed in principle on a program to end the years of bickering between the two professional football leagues.

Bell said he had absolute authority to negotiate a pact for the NFL and advised Cooper to go home and get the same designation. "If you do," said Bell, "we can settle our problems in five hours."

To Stop Raiding

The two executives agreed that the No. 1 problem was to stop the raiding of each other's playing talent. Under a program discussed here the leagues would recognize each other's contracts and options.

Bell and Cooper worked out a plan whereby the NFL and the Canadian leagues would hold similar player drafts, use standard contracts, and begin the signing of new draftees at the same time. An impartial arbitrator would settle any disputes the league heads were unable to reconcile.

Cooper said he would present the plan at a meeting of Canadian Football League executives in Toronto March 1.

DONS STRETCH WIN STREAK TO 45 STRAIGHT

By ED WILKS

The Associated Press
Now that they've matched the second longest success streak in college basketball, the San Francisco Dons have nothing more to look forward to this season except a repeat as NCAA champions and a share of the longest winning record in the books.

The merrily rolling Dons, as expected, skipped past San Jose State Tuesday night 76-52. That stretched their successive successes through 45 games and matched the second-best collegiate mark, hung up by little Pittsburg (Kan.) in 1930-32.

Peru (Neb.) holds the all-time winning record of 55 straight and the Dons can match it by rolling through the rest of their regular season (six more games) unbeaten and then taking their second straight NCAA crown.

St. Francis of Brooklyn, the only other major unbeaten team, stretched its string to 17 games last night by jarring Manhattan's hopes of a postseason tournament bid 98-75. The Terriers, rated 13th in this week's poll compared to San Francisco's No. 1 ranking, already are entered in next month's NIT in New York.

North Carolina State (No. 4), the only other team in the top 10 ranks active on Tuesday, barged into a three-way tie for the Atlantic Coast Conference by disposing of Duke, rated No. 11, 90-81.

The Dons, No. 1 in defense, allowed San Jose State just 13 field goals—six in the second half when State went 7 1/2 minutes before scoring a basket. All America Bill Russell, high with 21 points, blocked most of State's shots when San Jose managed to elude a pressing defense operated by Harold Perry and Casey Jones.

PENN SPRINTER TIES MARK AGAIN

LAWRENCEVILLE, N.J. (AP) — John Haines, 23-year-old Pennsylvania senior, yesterday tied once more the 60-yard indoor sprint world record of 6.1 seconds.

Haines, of Drexel Hill, Pa., hit the 23-year-old record in the triangular polar bear track meet between Pennsylvania, Princeton and Columbia.

The world mark, set in 1933, has been tied by many other sprinters, including Haines at last year's National AAU track meet.

Princeton scored 66 points with Pennsylvania second with 51 and Columbia third with 20.

Haines also led his team to a victory in the one-mile relay.

Princeton's Dick Knorr of Scranton, Pa., set a new meet record in the 35-pound shot put with a toss of 57 feet, 11 inches.

Temp Lowry of Princeton won the 600 and 1,000 yard runs. He is from Shaker Heights, Ohio.

Littlestown, Bubblers Will Take Part In District Cage Playoffs; Game On GHS Floor

Approximately 26 teams were given approval for the District 3 basketball playoffs in Class A, B and C at a meeting of the district committee Wednesday evening at Steelton. There will be from three to five in Class A (enrollment over 500), 14 in Class B (enrollment from 250 to 500), and seven in Class C (enrollment below 250).

Two members of the Adams County League will see tournament play. Boiling Springs (22-3), the league champion, meets Newport, probable Perry-Juniata champion, in the first round of Class B games on February 28 in a game tentatively scheduled for Dickinson College.

Littlestown (17-6) second place team in the county circuit, will meet Scotland of the Franklin County League in a Class C game on the Gettysburg High School floor on a date to be announced.

Shippensburg Approved
Shippensburg, playing an independent schedule, was approved for Class A play on the strength of its 16-4 record with three games remaining. Manheim Twp. of the Lancaster County League and Central Dauphin of the Eastern District of the Lower Susquehanna were given tentative approval, but have to win their remaining league games in order to tie for first and gain a berth in the playoffs.

The other two Class A entries will be the Central and South Penn champions. In the Central Penn Reading won the first half, leads in the second half and is considered a cinch to defend its championship. Middletown won the first half South Penn and is leading in the second half.

Class A Program
Shippensburg will meet the Central Penn entry on March 6, tentatively at Edison. That same night Central Dauphin and Manheim Twp. will meet if both qualify. The winner of that game — or if only one team qualifies then that team — meets the South Penn champion March 10. The Class A finals are on March 13 at the Hershey Arena.

The first round of Class B will be held Feb. 28. Boiling Springs, Adams County champion, meets Newport, probable Perry-Juniata champion, tentatively at Dickinson College. West Division titlist Camp Hill meets Greencastle of the Franklin County League, probably at Shippensburg Teachers. A Lancaster County Section 2 team meets Mt. Penn of Berks County and West York draws a bye in other Upper Bracket games.

In the Lower Bracket, Hamburg of the Berks County League meets a York County Southern Division team, probably Eastern York; Mahanoy Joint of the Upper Dauphin meets Palmyra, Lebanon County champ; Conrad Weiser of Berks County takes on Susquehanna Twp. of the East Division of the Lower Susquehanna; and Columbia, undefeated Lancaster County Section 1 kingpin, draws a bye.

Quarter-Finals
The quarter-finals on March 3 sets the Boiling Springs-Newport winner against the Camp Hill-Greencastle victor; and West York meets the winner of the game between the Lancaster County Section 2 representative and Mt. Penn.

The Hamburg-Eastern York winner meets the Mahanoy Joint-Palmyra victor and Columbia and the Susquehanna-Conrad Weiser winner meet. The semi-finals are on March 7 and the finals on March 9 or 10.

Game Listed Here
In Class C, Scotland of the Franklin County League and Littlestown of the Adams County League are slated to meet at Gettysburg High; New Holland of the Lancaster County League and Hummelstown of the Lower Susquehanna are tentatively scheduled to meet at Lebanon High; Fleetwood of the Berks County League draws a bye; and Lykens of the Upper Dauphin meets Green Park of the Perry-Juniata League.

Semi-finals will be held on March 8. However, the Class B and Class C finals may be scheduled as a doubleheader at the Hershey Arena March 9.

Canners, Hounds Clash Tonight For Mat Title

One of the top scholastic wrestling attractions this year in the local area will be offered at Biglerville High School tonight where the unbeaten Cannons tangle with likewise unbeaten Shippensburg for the Section 2, District 3, league championship. The squads are tied for the league lead with 6-0 records.

Several performers from each school will be putting individual perfect records on the line. They include: George Flickinger, 95-pounder; John Harmon, 145, and Ralph Mentzer, 165, all of Biglerville; Ray Sellhammer, 145, and Ed Karper, 165, both of Shippensburg.

The meet will start at 7:30 o'clock and is expected to draw a full house.

Coaches of the Section 2 teams will meet at Shippensburg Sunday to seed entries for the Section tournament at Shippensburg February 24 and 25 which will qualify winners for the District 3 meet.

SCHOLASTIC WEEKEND CARD IS IMPORTANT

HARRISBURG (AP) — An important weekend card marks the state's scholastic basketball scene following a host of mid-week crucial games.

The major contenders in the east — Allentown (Dist. 11), Chester (Dist. 1) and Reading (Dist. 3) — maintained their leadership easily, while new leaders took over elsewhere.

Reading, undefeated in its home Central Penn loop, faces rough opposition this weekend at home against Harrisburg William Penn.

Chester vs. Lower Merion
Chester, 1955 state runnerup, meets Lower Merion Friday.

Allentown's Canaries meet Hazleton this weekend in a scrap that could be tough.

In the important WPIAL races Farrell's Steelers of Sect. III, certain of at least a tie for the loop crown, have two rugged games left on their slate.

Friday Farrell hosts to Aliquippa for a game against the club that held the lead in the section until the past few games. The second rough game is against Sharon next Tuesday. The contest pits traditional rivals against each other and this time the Steelers won't be playing on their home court.

In Sect. 1 New Kensington meets weak Har-Brack Friday.

State Champion McKeesport, still in the running for the loop crown and a dim chance to keep the state crown, meets Glassport in a weekend contest.

In Dist. 10, the high flying Meadville club of Sect. II can clinch its sixth straight title over the weekend in a game with Titusville. The Bulldogs are undefeated in loop play.

The district title clash will probably pit Meadville against one of the front — running Erie schools. Last year Erie Strong Vincent won, but was ruled out of serious contention for a repeat on the title early this season.

Uphill Battle
In Dist. 6 Johnstown continues its uphill battle to gain its way into the district playoffs. Altoona, the other major independent in the district, has already won a playoff berth.

Johnstown, the defending district crown holder, still must win at least eight of its remaining 14 games to qualify. The PIAA rule is that independent teams must win 62 1/2 per cent of its games to qualify.

EX-PARK USHER WILL BUY TRIBE FOR 4 MILLIONS

CLEVELAND (AP) — A onetime usher at the Cleveland Indians old League Park made arrangements under a gentleman's agreement on Tuesday to purchase the Tribe for nearly four million dollars.

William R. Daley, 63, who will be chairman of the new corporation, had a chance to buy the club 6 1/2 years ago for 1 1/2 million dollars less.

Daley, an industrialist, and General Manager Hank Greenberg, also a partner in the pending transaction, said they've been waiting for a long time to buy into the American League Baseball Club.

Waiting Nine Years
Greenberg has been waiting ever since he came here nearly nine years ago to get a financial interest in the club, which he thought he was to get in the beginning.

Both should get their wishes in about three weeks, the time estimated for the legal details to be worked out for the stockholders' approval. The directors, who own a large majority of shares, informally approved the price yesterday. It is \$1,550 a share. At that rate, the club's total worth is nearly four million, counting the present 2,556 shares.

New Corporation
Daley will head a new corporation, but has asked the present officers to remain. Some of the shares still will be held by the current officers and directors.

Daley tried to buy the club back in the days Bill Veeck and his associates had the franchise. The Veeck regime finally sold out late in 1949 for about \$2,200,000, compared with the \$1,200,000 the club cost in 1946. The 1949 buyers were substantially the present owners, except that Ellis Ryan departed as president after a squabble in 1952.

Greenberg is scheduled to become a "principal" stockholder under the new owners. Daley and a fellow director of the Nickel Plate Railroad, oilman Ignatius A. O'Shaughnessy of St. Paul, and O'Greenberg are expected to hold more than half the shares.

Mount Takes 15th Cage Win But Loses Sullivan Who Sprains Right Ankle

Mt. St. Mary's College won its 15th victory Wednesday evening at Emmitsburg by walloping Fairleigh-Dickinson of Rutherford, N. J., 97-65 but the triumph may prove a costly one to the Mountaineers.

Jack Sullivan, Mount scoring ace, suffered a sprain of the right ankle which may shelve him indefinitely. Sullivan's loss, the second time this season due to an ankle injury, comes at an inopportune time, the Mounts being scheduled to meet Loyola at Baltimore Saturday evening in the key game of the Mason-Dixon Conference race. Loyola is unbeaten in the league while the Emmitsburg outfit is in second place with a 9-1 record.

Lead Throughout

Using a fast break to advantage, the Mountaineers rushed off to a 22-6 lead in the first five minutes of play against the Knights and were never in trouble thereafter. At half

time Coach Jim Phelan's squad was in command 53-30.

Tom Leonard was high man for the winners with 17 tallies while Bill Stanley added 15.

Don Margolin saved his team from an utter rout with 25 and Tony Reichle added in with 20.

The victory was the sixth in a row for Mt. St. Mary's.

159 START IN TEXAS TOURNEY

SAN ANTONIO, Tex. (AP) — Big Mike Souchak, the long driver from Grossingers, N. Y., set out today to defend his Texas Open golf championship and the touring professionals thought he had a good chance of doing it.

E. J. (Dutch) Harrison, the tournament veteran from St. Louis, liked Souchak in the run for the \$4,999 first money because the Ft. Sam Houston course is so open and puts a premium on the long hitter.

But there were favorites aplenty as the field of 159 moved out in the opening round of the \$20,000 tournament. Final tune-up rounds, yesterday indicated that the par-72, 6,476-yard course would take a hefty hammering.

Souchak said there would be plenty of par busting if the weather was good, but added:
"A strong wind will make those scores soar. The wide course will be tough under such circumstances."

FIGHTS LAST NIGHT

ROMAN CHURCH HEADS FOR FIGHT ON SEGREGATION

NEW ORLEANS (AP)—A hot legislative fight loomed today between the Roman Catholic Church and segregation leaders seeking a law that would halt church plans for integration in Catholic schools.

Four state representatives asked last night for measures to prevent mixing races in private schools. Catholic Church officials have said integration in their schools may come by September.

The four legislators were from the New Orleans area, where more than half the school children attend Catholic schools.

Created Controversy
The request came shortly after a special three-judge federal court threw out state laws aimed at retaining segregation under the state's police powers.

The law created a controversy when passed four years ago. The House originally passed a bill banning integration in all schools, but later changed the wording to make the ban apply only to public schools after Archbishop Joseph Rummel of New Orleans intervened.

The U. S. constitutional guarantee of separation of church and state was involved.

Called "Unthinkable"
The request last night came from Representatives Cyril Broussard, Joseph Casey and Frank Huerstel of New Orleans and E. W. Gravolet Jr. of adjacent Plaquemine Parish (county). It was made in a letter to State Sen. W. M. Rainach, head of the Legislature's committee on segregation.

They urged the 1954 laws be amended to include private schools.

Their statement said, "It is unthinkable that the State of Louisiana would not afford the same protection to the children in its private schools that it affords to the children in its public schools."

Scientists think the first men to reach America thousands of years ago sometimes killed a species of bison which might have weighed 2,250 pounds with horns six feet from tip to tip.

TRUCKER DIES IN TUNNEL CRASH

JERSEY CITY, N.J. (AP)—A Pennsylvania truck driver died in a traffic accident here yesterday.

Allen F. Miller, 34, of R. 1, Spring Grove, Pa., was fatally injured when another truck brushed his tractor-trailer and threw it out of control into a retaining wall on the depressed highway leading to the Holland Tunnel.

The Miller accident was the first fatal mishap on the Holland Tunnel approach since it was resurfaced last summer.

Police said a truck driven by Jack Breynier, 23, of Hillside, passed Miller from behind, cut back in and brushed the left side of Miller's vehicle.

Miller was thrown 25 feet from his cab by the impact and died seven hours later in Jersey City Medical Center.

Traffic backed up to the Pulaski Skyway and was disrupted for two hours while the wreckage was cleared.

FIRE HIGHWAY OFFICIAL

HARRISBURG (AP)—John A. Helynek was dismissed as Delaware County highway maintenance superintendent and Joseph Judge was immediately named acting head, the State Highways Department reported.

Joseph J. Lawler, secretary of highways, dismissed Helynek from the \$5,080 a year post yesterday Judge had served as assistant superintendent in the county.

North Carolina had 25,423 irrigated acres in 1954 compared with 2,083 in 1949.

Customer's Corner!
Once upon a savings-time...

Sound like a fairy tale? It isn't... it's true! Ninety-six years ago, George Huntington Hartford started a store that turned into a chain... and his basic thinking started a chain reaction that has benefited budgets ever since.

His idea: "Always do what is honest, fair and sincere and in the best interests of our customers."

Our idea: to continue to keep this policy active and operating for Founder's Week and every week, as long as there's an A&P!

NEW RUMOR ON PRINCESS; SHE MAY GO CATHOLIC

LONDON (AP)—A new rumor is going around about Princess Margaret—that she may soon be converted to Roman Catholicism.

Neither Buckingham Palace nor other official sources had any comment so far on the reports published in some continental and London newspapers that such a religious change is contemplated by the 25-year-old princess whose sister Queen Elizabeth II is the "defender of the faith" of the Protestant Church of England.

But the Duke of Norfolk, Britain's leading Roman Catholic layman, denounced as "sheer nonsense" rumors that his audience last week with Pope Pius XII was to discuss the conversion of a "noted English personality" to the

church. Vatican circles said they knew nothing about any plans for Princess Margaret to become a Catholic. They also said there was no basis for reports that the duke had discussed the question with the Pope.

There were published reports in 1953 that Princess Margaret had embarked on a new and fuller religious life after the death of her father King George VI. One report that she was considering entering a religious order—presumably an Anglican group—was denied by Buckingham Palace.

Margaret's religious outlook was generally considered to have played an important role in her decision last fall not to marry RAF Group Capt. Peter Townsend, who divorced his wife.

The Church of England opposes the remarriage of divorced persons, even the "innocent" party, if the former mate is still living.

Daily News Story
The New York Daily News, in a copyright story from London today, reported that the princess

may soon announce she is entering the Catholic Church. It said the Duke of Norfolk discussed Margaret's "spiritual problem" personally with the Pope and reportedly contacted the princess as soon as he returned from Rome.

The news said Margaret's "decision is the culmination of soul-searching consideration over the past several years. It is not a result of the unhappy ending of her romance with Group Capt. Peter Townsend. In fact, there are indications the princess is purposely delaying any announcement . . . so the move will not be connected in the public mind with the Townsend incident."

PICKETS CAUSE HEAVY DAMAGE ON STRIKE LINE

SHARON, Pa. (AP)—Pickets overturned an auto, hurled stones and broke plant windows on Wednesday in continued violence at the struck Westinghouse Electric Corp., police reported.

No injuries were reported and there were no arrests. City Detective William Thomas said the "situation is getting worse."

Police estimated more than 100 pickets of the AFL-CIO International Union of Electrical Workers were massed at the plant.

The auto was overturned as it attempted to leave the plant. Three supervisors who had been in the car scrambled out before it went over. One of the supervisors was reported punched.

Police said several windows of the plant were broken, and stones were hurled at autos.

Fear Public Inquiry
Meanwhile, Westinghouse awaited assurance that a public inquiry into a 122-day strike would not be used to "make political fare" before giving a decision on whether to cooperate in the investigation.

The company said it has no intention of cooperating with a two-man fact-finding board, set up by Gov. Leader, until it is satisfied the AFL-CIO International Union of Electrical Workers would not use the investigation for political purposes.

Westinghouse referred to a charge Monday by James B. Carey, IUE president, that a "hands-off" policy by the Republican Eisenhower administration has hurt the union and aided the company.

"We will not join in any move which Mr. Carey can twist to political maneuvering," Westing-

Historic Site Owners To Get Certificates

HARRISBURG (AP)—A measure signed into law on Tuesday by Gov. Leader provides that the Pennsylvania Historical and Museum Commission issue a certificate to the owner of all the historic sites and buildings listed in its catalog.

Other new laws will:
Allow second, third and fourth class school districts to collect taxes for February and March of each year even though the tax isn't levied and assessed until April or May.

Increase from \$8 to \$12 a day the expense payments and from 6 to 7 cents a mile the mileage payments for school officials attending annual conventions and special meetings called by county superintendents.

Four Bail Out From Disabled Jet Plane

EDWARDS, Calif. (AP)—After circling for four tense hours, three Navy airmen bailed out rather than crash-land their disabled jet bomber on the Mojave Desert on Tuesday.

The three parachuted safely and the two-million-dollar A3D jet was shot down by three Air Force F100s as it flew pilotless about 20 miles north of here.

The plane crashed on the desert after being shot down. Although the Navy would not confirm it, sources said the aircraft was attempting to crack the transcontinental speed record of 3 hours 46 minutes 33 seconds held by the Air Force.

The plane's landing gear stuck soon after taking off from Los Angeles to Patuxent River, Md.

Gov. Leader, when informed of the company's stand, said the inquiry would go on regardless.

Camera News

By IRVING DESFOR
The Associated Press

The calendar says that Valentine's Day will be here shortly and while you're thinking of those you love, doesn't it make a worthwhile picture? It's an appropriate time, certainly, to think of a sweetheart's portrait. . . and what camera fan hasn't got a sweetheart? It may be mother or dad, son or daughter, wife or husband, best gal or guy — there's someone on whom you usually focus your thoughts with affection. Shift that focus photographically and capture it on film. Then, instead of a one day event, it will become a year 'round tribute.

Pictures of children, who rank as the world's universal sweethearts, probably get the most mileage out of all taken. Most people have a favorite or two in their purse or wallet ready for instant exhibition with the slightest encouragement. However, many of the youngsters' cutest antics will never see the light of film because the usual chief photographer of the family isn't around when they take place. Wouldn't it be a good idea for mother to have her own camera so that she can picture as well as tell what Junior did today?

Home portraiture is particularly appropriate at this time since a pleasing portrait makes such a welcome Valentine gift. Naturally the are preparations to be made on the part of both the subject and the photographer to assure good portraits.

The subject should be well dressed, well groomed and in a relaxed frame of mind during the proceedings. Well dressed doesn't mean fancy dress or an unusual costume. Women, especially, should dress simply and conservatively since fashion fads make the picture look out of date in a very short time. Beware of frilly necklines, loud prints and eye-catching accessories. It has been said before and it'll be said again that a simple dress with a V-neckline and conservative accessories are always in good taste through the years.

Women should avoid experimenting with a radically new hairdo before sitting for a portrait. And they're not likely to look relaxed when they are worrying about the household chores, what's cooking for supper or what mischief the youngsters are up to.

Behind the camera, here's the

check list for the photographer: Natural pose, simple background, good lighting, best camera angle, correct focus and exposure and the instant of shooting which captures a worthwhile expression. As a group, it sounds formidable but when tackled and disposed of one item at a time it is not difficult to accomplish.

A natural pose is a comfortable one which the subject often assumes while waiting to be "posed." For simplicity's sake, avoid high chair backs and ornate chair arms in favor of benches or simple chairs.

The background shouldn't be conspicuous or distract.

Study the lighting to avoid bad shadows under the eyes and nose and cross shadows. Use a reflector or a fill-in light at the side to soften the shadows. Add a back light angled down at the hair and shoulder to add a highlight sparkle.

Study Correct Angles

Camera angle must suit each individual subject. A broad face would look better from a three-quarter angle, while a thin face would look better in a full face view. A higher angle minimizes ample chins and it's a further help if the head is tilted upwards slightly. Profile views should be avoided where the subject has a prominent nose, chin or forehead.

If the camera is focused sharply on the subject's eyes and the ex-

posure is figured so as to shoot with the lens almost wide open, the background will be rendered hazy and soft. This concentration of full attention on the face alone is often recommended for portraits. Engaging the subject in a mutually interesting conversation, will do much to eliminate the consciousness of posing. The more lively the discussion, the greater chance there is of capturing the spark of emotion on film.

Produce Dual Purpose Film

What's new? A new, universal type Kodachrome film will soon be available. It can be used both for daylight shooting and for indoor pictures with clear flashbulbs without a conversion filter. This greater range of direct color balance is accomplished in two ways: 1. In the film itself, with greater color sensitivity range. 2. In the color printing process later, where adjustments can be made in the printing light according to the nature of the subject matter.

LYNCHBURG, Va. (AP) — Ever notice motorists riding with their arms out of the car, hand on the top?

Don't do it, says Richard Phelps. He was riding beside his wife on the front seat of a car drive by his nephew. An approaching car forced them off the road. Phelps arm struck a highway sign and was broken in four places.

Property, Supplies To Handle Surplus

HARRISBURG (AP)—The State Property and Supplies Department now has complete authority to direct distribution of surplus property in Pennsylvania.

Transfer of the duty from the Public Instruction Department was approved finally by the Legislature yesterday when the House unanimously passed a reorganization plan suggested Jan. 17 by Gov. Leader.

The senate had approved the proposal Jan. 30. The change does not need further approval by the governor. It was made under the 1955 governmental reorganization law which gives the governor power to recommend such transfers below the bureau level.

SEATTLE, Wash. (AP) — In a fourth grade "spelling challenge" at the Magnolia Bluff School, the teacher encouraged pupils to test their classmates with new words picked up outside the classroom.

Johnny tossed this one to the class: "Antidisestablishmentarianism."

When the teacher admonished him that the rules required that he be able to use the word in a sentence, Johnny replied:

"Sure; here's the sentence: I can spell antidisestablishmentarianism."

Abbottstown

ABBOTTSTOWN — The local schools were closed Monday in observance of Lincoln's birthday anniversary.

Art Nester, who had been a patient at the Hanover Hospital due to an automobile accident, has returned to his home.

The union World Day of Prayer service will be held Friday at 7:30 p.m. in the Lutheran Church. Dr. Roy Dunkelberger, a retired missionary from India, will present an illustrated lecture with slides of India.

The Rev. and Mrs. Charles Price, Walkersville, Md., and sons, Mike and Bobby, recently visited Mrs. Price's grandmother, Mrs. Mandilla Slaybaugh, who has been confined to bed for several weeks. They also visited Mr. and Mrs. Elmer Butt.

DISLOCATED MOUTH

SAGINAW, Mich. (AP) — Bert A. Tappen, ready for bed, gave a wide yawn at 10:30 p.m. At 9:22 the next morning doctors adjusted his dislocated jaw so Tappen could shut his mouth.

Farmlands in Iceland which have been covered by ice for 600 years are now again in use as the glaciers retreat.

Consider Music Lessons Via TV

CHICAGO (AP) — Teaching music by television may enable every child in the nation to play a tune, says Dr. John C. Kendel, of the American Music Conference.

He predicts enrollments will rise 75 to 100 per cent within 10 years when youngsters in small communities are given musical opportunities now available only in metropolitan centers.

The University of Houston, Houston, Tex., offers a class telecourse in piano over its educational station KUHT. The University of Michigan is experimenting in ways to teach wind and string instruments on TV. Dr. George Stout, professor of music education at Houston, says students taking the course by TV make as much or more progress than those enrolled on the campus.

ORDERLY BIRDS

COMANCHE, Okla. (AP) — Mrs. Max Renas has the quietest, most orderly bunch of birds that ever roosted in a living room. The 300 birds are made of wood, turquoise, silver, sea shells, and a dozen other materials.

FT. HOOD, Tex. (AP) — Pfc. John H. Bright for eight straight weeks was named the sharpest-looking soldier in guard-mount inspections.

SEN. HUMPHREY STRIKING BACK AT NIXON TALK

By JACK BELL
WASHINGTON (P) — Sen. Humphrey (D-Minn.) has called on the Eisenhower administration to "exercise its leadership rather than its lungs" in obtaining congressional action on civil rights legislation.

Humphrey, a supporter of Adlai E. Stevenson's bid for the Democratic presidential nomination, struck back at the contention of Vice President Nixon in a New York speech Monday that the Democrats have proved themselves "helpless and futile" in this field.

"We might make some substantial progress in the field of civil rights legislation in this Congress if we can get just a little help

from Republicans," Humphrey said in an interview. "If we do, the administration will have to exercise its leadership rather than its lungs."

Joins Sen. Stennis
"I might remind the Republicans that during the 83rd Congress which they controlled a whole series of civil rights bills were introduced and I don't recall that a single one of them was ever brought up for action."

Humphrey joined Sen. Stennis (D-Miss.) in criticizing Nixon's statement that "a great Republican chief justice, Earl Warren, has ordered an end to racial segregation in the nation's schools." Humphrey favors integration of white and Negro pupils; Stennis opposes it.

Claims Political Issue
"I didn't know the Supreme Court was Republican or Democratic," Humphrey said. "Vice President Nixon might do well to study the Constitution, as President Eisenhower evidently has done."

This was an apparent reference to a Jan. 25 statement by Eisenhower that "confusion between politics and the Supreme Court" should be avoided.

Stennis told the Senate Tuesday that Nixon's statement had acknowledged "officially" that the court's desegregation decision was "in Stennis' words, 'purely a political one.'"

GUATEMALANS GRADUATED BY POLICE SCHOOL

HERSHEY, Pa. (P) — Four lieutenants of the Guatemala National Police Force were members of Wednesday's graduating class at the state police training school.

They are Luis A. Nunez, Cesar A. Nelson, Rolando A. Sandoval and Jorge E. Mejia who attended the school under a program of the International Assn. of Chiefs of Police and the International Cooperation Administration. They attended the entire six-month course.

Col. Russell A. Snook, director of the training division of the International Assn. of Chiefs of Police, was the graduation speaker.

ALLEGED PHONY HOLDUP REPORT

BEVERLY HILLS, Calif. (P) — Furrier Al Teitelbaum, who caters to the movie mink set, is accused of staging a phony robbery of his fashionable salon.

Five other men also were arrested Tuesday as the result of an inquiry stemming from Teitelbaum's report of a \$280,000 holdup last Dec. 27.

Teitelbaum, 40, designer of many film stars' fur pieces and former business manager of Mario Lanza, declared the arrests are "a lot of hokum." He was booked on suspicion of conspiring to defraud an insurance firm and conspiring to commit grand theft.

Police Chief C. H. Anderson said that 277 fur pieces reported stolen "never even left the store."

Also booked were Howard Cook, 36, Billy Layton, 43, and Sam London, all of Los Angeles, on suspicion of conspiring to commit robbery; Claude Wilson, 38, North Hollywood, conspiracy to commit a fraud and suspicion of robbery;

and Clifford Weiss, 38, of Paradise Valley, Nev., suspicion of conspiracy to commit grand theft.

POPE DELIVERS LENTEN TALK

VATICAN CITY (P) — Pope Pius XII urged Catholic school children of America Wednesday to help bring "the bloom of health and laughter" to less fortunate children in the world.

His annual Lenten address was broadcast by the Vatican radio. The 79-year-old head of the Roman Catholic Church recalled that "10 full and fateful years" had passed since he made his first plea to

American children to lend their aid. "Not once during these 10 years have you failed them, these innocent victims of a cruel war, flaming hot at first and still continuing, for many, all too heartless," he said.

"Charity A Habit"
The Pope said that he had learned during these years that "charity had become a habit" for many American school children. "The children whom your savings and sacrifices have helped," he added, "owe you a debt that only the Lord Jesus can repay."

The Pontiff then told his listeners that Lent "is indeed the opportune time to give until it hurts, at least a little."

Earlier, the Pontiff marked his own forehead with ashes at the start of the 40-day Lenten season.

PRESIDENT OF ALABAMA U. TO SPEAK TODAY

TUSCALOOSA, Ala. (AP) — President O. C. Carmichael of the University of Alabama meets his students face-to-face today for the first time since Autherine Lucy was driven from the campus Feb. 6.

Carmichael planned to speak at a student-faculty convocation, rescheduled from Feb. 8, following the Birmingham Negro, first of her race to attend the university.

Only outsiders permitted will be reporters.

Arrest Two Negroes

Meanwhile, two Negro brothers who attacked a university student Tuesday night were charged with assault with intent to murder.

Circuit Solicitor Olin Zeane said Arthur Washington, a soldier on furlough, and his brother, John, made statements that they attacked 19-year-old Samuel Perrin over the Lucy case.

Zeane said the brothers were

transferred from the Tuscaloosa city jail to the Greene County jail at Eutaw, Ala., about 18 miles away.

Other Trials Ahead

Zeane said the brothers would be held for action of the Tuscaloosa grand jury, which meets March 1, unless they ask bond.

Three white persons charged with disorderly conduct in connection with the demonstrations Feb. 6 will be tried in Tuscaloosa city court after Feb. 29. They are Ed Watts, Earl Watts and Kenneth Thompson. Police said none is a student at the university.

Miss Lucy, who had attended classes three days, was excluded on order of the board of trustees "until further notice." The trustees said the order was for her own safety.

WILL HAVE TO BE ACCOUNTING ON \$2,500 SOURCE

WASHINGTON (AP) — Sen. Thye (R-Minn.) has declared "there is no question but what there will have to be an accounting" of where John M. Neff got \$2,500 to contribute to the Nebraska Republican committee last October.

Neff, a Lexington, Neb., lawyer employed by the Superior Oil Co. of California, disclosed this contribution to a special Senate committee investigating a like amount he offered for the re-election campaign of Sen. Francis Case (R-SD) during Senate debate on the natural gas bill. Case rejected it.

The bill, designed to free natural gas producers from direct federal price controls, is now before President Eisenhower for signature or veto. Saturday is the deadline. If Eisenhower should take no action by then, the bill would become law.

Report Veto Possible

The New York Times said in a Washington dispatch Wednesday Eisenhower is said to be considering a veto. It said that word came from industry sources and from senators who were on both sides during the long debate.

Thye, a member of the special committee looking into the money offer to Case, said Neff was not asked the source of the \$2,500 he gave to the Nebraska GOP State

Feb. 1, in obedience to a Federal Court order that she could not be barred from the university because of her race.

On The U. S. Political Front

BOISE, Idaho (AP) — Adlai F. Stevenson takes his campaign for the presidency into Utah today after a one-night Idaho stand in which he blasted Vice President Nixon as an "all-purpose politician" in the service of the Republican Party.

Stevenson, who seeks the Democratic presidential nomination, told a Boise audience that Republicans have failed to grasp the significance of a changing way of life in the 20th century.

The Eisenhower administration looks upon farmers, workers and consumers as "customers and wards of a remote, benevolent authority — not participants," he said.

Sunday Punches For Nixon

Saving his hardest punches for Nixon, with whom he tangled frequently in the 1952 campaign, Stevenson accused the Republican administration of failures in farm and fiscal policies over the past three years and predicted they would lose in November.

Stevenson told some 700 in Boise's South Junior High School gym that Nixon is an "all-purpose politician" who uses "socialism" as an "all-purpose word to vilify New Deal Democratic programs and applaud the same things when they have a Republican label."

"What a wonderful 'all-purpose word' this 'socialize' is in the hands of this all-purpose politician who can proclaim an old Demo-

cratic program as good when it wears a new Republican label and denounce it as socialism at the same time," he said.

Meanwhile, an air of utmost secrecy continued to surround the federal grand jury looking into the \$2,500 contribution which Case rejected.

Central Committee.

"The committee will find out before it closes its investigation," he said.

Musser Forests Inc. Enters Protest

HARRISBURG (AP) — Musser Forests Inc. has protested the revocation of its nursery license in connection with a \$471,684 treble damage suit filed last week against the firm by the State Justice Department.

In a petition filed with Dauphin County Court on Tuesday, the Indi-

ana firm called the revocation "an unwarranted extension of the police power of the commonwealth" and asked that its license be restored at least until a hearing in the case is held.

IKE TRIES AGAIN FOR QUAIL TODAY ON GEORGIA TRIP

By MARVIN L. ARROWSMITH
THOMASVILLE, Ga. (AP)—Vacationing President Eisenhower put bird hunting ahead of politics today and hoped for better luck in a new quest for elusive quail.

With the nation waiting for his answer on a second-term bid, the President for the time being is intent on relaxing in this piney woods area of south Georgia. It's his first hunting trip since suffering a heart attack Sept. 24.

He arrived from Washington yesterday afternoon for about a week of rest and outdoor exercise at the plantation estate of Secretary of the Treasury Humphrey, who accompanied him.

No Quail Yesterday
Within 15 minutes after getting to the Humphrey place, the President and the Cabinet officer had changed to hunting togs and were off to the fields aboard a green-wheeled roadster drawn by two white mules. Behind was another hunting roadster with red wheels carrying the bird dogs and some of the Negro beaters whose job it is to flush the quail.

Eisenhower and Humphrey rode around the big estate for two hours but sighted birds only twice. And neither brought down any quail.

Tuesday, physicians told the President he has had a good recovery and concluding that he is physically able to seek and serve a second term.

The cheering medical report

\$410 In Cash Blows Over Prison Fence

ONTARIO, Calif. (AP)—A gusty windstorm whisked \$410 in currency from C. H. Chacon's automobile and blew it over a chain-link fence surrounding a state prison. Chacon had placed the money in the visor above the windshield.

In reporting the loss to police, Chacon said he spent several hours walking along the fence looking for the money and that he hesitated to climb over without permission.

Police Sgt. E. R. Holland and L. F. Patton of the staff of the California Institution for Men helped him look in the prison grounds. They found three \$100 bills, five \$20s and one \$10 in the weeds and shrubs.

URANIUM IN LABRADOR
ST. JOHNS, Nfld. (AP)—Premier Joseph Smallwood says an important uranium find has been made along Labrador's bleak coast. He announced last night that experts rank the newly found deposits among Canada's most important to date. He said pitchblende and other uranium minerals were found in a coastal area 85 miles long and 8 miles wide.

has convinced political supporters of the President that he will run again. If he has not already made his decision, he quite likely will do so here.

He has indicated he will announce his plans around March 1.

Before the doctors spoke out Tuesday, a majority of newsmen who cover the White House regularly felt the President would not run again. Now the majority has swung heavily the other way.

A Happy Eisenhower
Both the President and Humphrey were accompanied from Washington by their wives. Also along are Mrs. Eisenhower's mother Mrs. John S. Doud of Denver and the President's personal physician Maj. Gen. Howard M. Snyder.

It was a happy Eisenhower who rode 43 miles by automobile from Spence Air Base at Moultrie, Ga., to the Humphrey plantation. Enthusiastic crowds gave him a warm welcome along the way, and he responded with repeated waves.

The White House limousine in which he traveled has a top which slides back so he can stand and be seen by the crowds. On the trip yesterday he stood a good third of the way without any outward sign of tiring.

Girl "Guarantee"

Winds Up In Jail

MEXICO CITY (AP)—A man claiming to be an army captain walked into a local store and bought a coat "for the wife of a general." He walked out with the coat, leaving his pretty girl companion behind as a guarantee that he would return with the money. The guarantee was in jail today. The "captain" hadn't come back.

Delaware Bridge Group Will Meet

TRENTON, N.J. (AP)—A reorganization meeting of the Delaware River Joint Toll Bridge Commission will be held Feb. 27 in the wake of a report by Gov. Meyner alleging evidence of lavish spending and improper payments

of salaries.

Meyner, simultaneously with Gov. Leader of Pennsylvania, made reports on the commission Tuesday in simultaneous press conferences.

New Jersey's Democratic Governor asked for the resignation of

Commission Chairman Leslie

Brown of Trenton. Meyner also announced the resignation of Edward W. Kilpatrick from the commission.

Georgia had 23,973 irrigated acres in 1954 compared to 3,161 in 1949.

Beatrice Ward's definition of "This is a printing office" reads as follows:

"Crossroads of civilization . . . Refuge of all the arts against the ravages of time . . . Army of fearless truth against whispering rumor . . . Incessant trumpet of trade . . . From this place words may fly abroad, not to perish on waves of sound, not to vary with the writer's hand but fixed in time, having been verified by proof . . . Friend, you stand on sacred ground."

Did you know that there is warm ice as well as cold ice?

Well, there is, and knowing it may save your life, the National Safety Council pointed out today.

Warm ice is a lot more slippery than cold ice, and greatly increases the hazards of winter driving unless you are using reinforced tire chains, the Council has found in actual skid tests on frozen lakes.

An ice cube when first taken from the freezer tray feels slightly "sticky," but the warmth of your hand quickly melts the surface and it becomes slippery. The Council says the same thing occurs on road ice or glazed snow when it is warmed by a daytime rise in temperature, a brief period of sunshine, or heavy traffic.

Such unexpected changes in the slipperiness of ice is the basic cause of many winter accidents, the Council believes.

Council tests show this relationship of temperature and traction: at 20 mph a car with regular tires skidded 114 feet at zero degrees, 155 feet at 10 degrees, 195 feet at 20 degrees, and a whopping 235 feet at 30 degrees (just below freezing).

Reinforced tire chains stopped the test cars in 77 feet on glare ice, and this distance was not affected by changes in temperature.

Temperature is important whether you live in the northern or southern edge of the snow belt, according to the Council. While drivers in the north have to contend with more snow, they also get lower temperatures and consequently better traction. Drivers on the southern edge of the snow belt, meet more changeable conditions with intermittent freezing and thawing.

Wherever you live, the Council urges drivers to stay aware of the changing characteristics of ice. Check the "feel" of the road at every safe opportunity and adjust your speed accordingly.

One of the major oil companies recently published fifteen suggestions on how to heat your home economically. With reference to fuel the company said "you can, for example, save many a dollar by following the suggestions offered by our heating experts. Some, involving insulation and storm doors and windows, cost money, but pay off handsomely. The fifteen suggestions cost nothing at all . . . and if adopted, . . . you will notice the difference in those winter fuel bills."

Here they are:

1. Close doors promptly to keep all the heat inside.
2. Keep temperature moderate enough so windows won't have to be opened.
3. Turn off heat in rooms being ventilated.
4. Turn off heat and close doors of rooms not in use.
5. Close fireplace dampers when not in use.
6. Lower thermostat at night. (Setting it back 10 degrees for 8 hours will save 10 per cent or more.)
7. Lower thermostat to 55 degrees when going away for a day or longer period.
8. Check radiator valves for proper function.
9. Check radiator enclosures to be sure they are not trapping heat.
10. Remove rugs and furniture from places where they block radiators or registers.
11. If your garage is heated, keep doors closed and temperature low.
12. Keep water in heating boiler clean for faster, more efficient operation.
13. Watch steam boiler water level. A boiler usually operates best if level is at center of gauge.
14. Avoid overheating furnace. It wastes fuel.
15. Drain a pail of water from bottom of hot water tank monthly to insure efficiency.

PREDICT IKE WILL FILE FOR SECOND TERM

WASHINGTON (AP) — Joyful Republicans predict that Tuesday's reassuring medical report will convince President Eisenhower he should run again.

Democrats voiced gratification at the extent of Eisenhower's recovery. A few of them maintained he will say "no" to a second term.

Sen. Lyndon B. Johnson of Texas, Democratic floor leader, said in a statement dictated from his home in Texas:

"As a fellow human being who has gone through the same thing, I am very pleased that the medical report is so favorable. I know every American will be happy."

Johnson suffered a heart attack last July.

Sen. Duff (R-Pa.) said he feels confident "the President will be a candidate again in order that he may continue the program he has so magnificently begun."

Sen. Carlson (R-Kan.) said he felt all along Eisenhower would run again "unless the doctors told him not to."

Cites "Difference"

Sen. Sparkman (D-Ala.), the 1952 Democratic vice presidential nominee, said there is "a great deal of difference between carrying on the full load of the presidency and just staying in the White House."

"There's a great deal of difference too between staying in the White House and carrying on an active campaign for the presidency," Sparkman said. "The President has indicated he will take these factors into consideration. When he weighs everything, I still believe he won't run."

YORK SPRINGS — Mrs. Jessie Tanager, York Springs R. D., was admitted to the Hanover General Hospital on Monday for treatment.

Ash Wednesday Lenten service were held in the New Oxford Reformed Church last evening at 7:30 o'clock. Rev. Amos D. Meyers will speak. This is a joint Reformed-Methodist service.

On Saturday Mrs. Parker Gardner was brought to her home in York Springs in the York Springs ambulance from the Warner Hospital. Her condition is serious.

Theodore Townsend, district director of Y. M. C. A. work in this area, will be a guest speaker at the services at the Methodist Churches of York Springs, Hunterstown and New Oxford on Sunday.

Norman Stary returned to his home Tuesday from the Polyclinic Hospital, Harrisburg, where he had been a patient for several weeks, having undergone major surgery.

ard W. Hall, who has been maintaining Eisenhower will run, said in a statement that "the decision . . . is in his hands, and his personal feelings and judgment will be the determining factors."

Sen. Knowland (R-Calif.), who has indicated clearly he will seek the GOP nomination if Eisenhower does not, said in East Orange, N. J., that everyone "will rejoice at the progress reported by the doctors."

SEEK FUND TO PURCHASE LAND

HARRISBURG (AP)—Two eastern Pennsylvania senators today favor a half million dollar appropriation for state land purchases in the area of the proposed Wallpack Bend Dam site on the Delaware River.

Sen. Yosko (D-Northampton) told the Senate on Tuesday that residents of the area in Pike and Monroe counties are "insecure now in their feeling on whether to repair flood damage inflicted last year."

Under the measure, co-sponsored by Yosko and Sen. Scott (R-Carbon) land would be purchased

7:30 p.m. This will be a community service with members of several churches participating. Similar services will be held in the New Oxford church on Friday at 7:30 p.m. and are sponsored by the church women of that community.

and held until such time as construction of the flood control and water supply dam could be started.

"In this way the residents will not have to put money into flood damage repair of their property only to find that the dam will be built on their land a few years later," Yosko said.

The proposed structure would be built by Pennsylvania and New Jersey with federal funds anticipated by officials of both states. Scott and Yosko are members of a delegation of Pennsylvania lawmakers who have been meeting with federal officials to work out plans for possible construction of the dam.

PREVIEW OF DESTRUCTION
CAMDEN, Ark. (AP) — Several young boys were invited by an Army recruiter to step inside a Patton tank on display here. One of them accidentally released the brakes. The tank rolled down an incline and crashed into a parked automobile, destroying it.

Benjamin Franklin invented the lightning rod.

MUMMASBURG—Paul Shue and daughter, Brenda, have returned to their home at Harper, Kansas, after being called here by the death of his brother, George Edgar Shue.

Others attending the funeral from a distance were Clinton Keener and daughter, Lydia, and Mr. and Mrs. Clayton Gehrman, of Hagerstown; Mr. and Mrs. Eldad Keener, Mrs. Fred Ernst, and Mrs. David Shank, of Chambersburg; Mr. and Mrs. Bela Buckner and Mr. and Mrs. Harold Buckner of Dallastown.

Mr. and Mrs. Glenn Emlet and son, Rodney, and daughter, Jane, of near Wrightsville, were Sunday visitors at the home of Mrs. Emlet's

parents, Mr. and Mrs. Clyde Wilson and family.

Mr. and Mrs. Delray Rinehart, of near Bellefonte, were weekend visitors at the home of Mr. Rinehart's parents, Mr. and Mrs. Dwight Rinehart and family.

Mr. and Mrs. Arthur Leatherman, of near Harney, and Mrs. Florence Wilson were Sunday visitors at the home of Mr. and Mrs. Walter Lemmon, near East Berth.

Rookie Harry Holtsma of the St. Louis Cardinals had a 13-3 mound record with Houston in 1955. He worked in 109 innings and had a 2.64 earned run mark.

UNIVERSITY PARK, Pa. (AP) — Bonnie Dale Sansom, extension home furnishings specialist at Pennsylvania State University, points out that modern paints offer the home-owner good looking results with little effort.

Most manufacturers make their products with the do-it-yourself market in mind, she says. Modern paints go on smoothly and the solid color finish of painted walls can be varied with designs or textures.

PRODUCTION BY INDUSTRY ON RISE FOR 1956

By SAM DAWSON

NEW YORK (AP) — While President Eisenhower hunts quail and thinks things over and the stock market adjusts to his doctors' estimate of his future durability, businessmen and consumers have a batch of reports today to show where we are and whither we may be going.

They range all the way from the over-all picture (which is good) to particular industries (some are spotty) to future plans (mostly optimistic).

Industrial production has risen since the first of the year, just as it was supposed to, and despite the drag of the cutbacks in auto production.

But, although January topped

December, the Federal Reserve Board figures the gain was seasonal and ranks the two months as equal on its adjusted index.

Either way of looking at it, output was at a record high and well over the figures of a year ago. Offsetting the auto cutback was a record output in January and early February by the steel mills, and a better pace than a year ago in the production of household appliances and building materials.

Beating last year isn't easy. The Commerce Department notes that in 1955 the total dollar value of goods and services produced in the nation rose to a record \$371.4 billion. This was 7 1/2 per cent bigger than the previous year and topped the previous record in 1953 by 22 3/4 billion dollars.

To Reach 400 Billions The President has said he expects the nation's economy this year to reach the 400 billion dollar mark.

Getting down to particulars, all aren't so rosy. Chain stores and

Barbers Protest "Back Porchers"

BECKLEY, W. Va. (AP) — Local

No. 975 of the Journeymen Barbers Assn. has gone on the war path against back porch barbering in two counties. The local refers to other than full-time barbers in shops, who are handy with scissors and shears and who will cut hair on home calls in the coal fields.

Families with eight or nine children can get their locks shorn at an economy-sized bargain rate and keep a barbering man busy for a good part of a day.

The journeymen protest that they must take physical examinations, submit to blood tests, obtain state and local licenses and maintain shops, while the back porchers are not so inconvenienced.

DO-IT-YOURSELF REPORTS

SEATTLE, Wash. (AP) — Third graders at the Gatewood School have a new wrinkle in self-service report cards.

Mrs. Vivian Mackey, the teacher, says the youngsters are often surprisingly honest in the estimates she has them prepare for their parents twice a year.

One 8-year-old girl wrote: "I copy Cindy sometimes. And sometimes I copy Charmaine, but I do not very much now."

And an 8-year-old boy sized his work up in these terms:

"Dear Parents: I. I'm medium in arithmetic; 2. I'm medium in reading; 3. I'm medium in writing; 4. I'm medium in talking; 5. I'm medium in education."

The teacher thought it was a medium good estimate.

mail order companies report January business dropped sharply below December—as is customary after Christmas—but was about 7 1/2 per cent higher than in January 1955. The worry spot here is that this year-by-year gain wasn't as strong as the chains were recording in recent months. The gain on total 1955 business over that in 1954 was 10 per cent.

Steel scrap prices have slipped back from their recent record highs. Steelmen say this is due to adequate supplies on hand at the mills rather than to any slackening in steel production. Output continues around capacity and orders indicate a fast pace for some months.

Layoffs Cause Worry

The auto layoffs cause more worry. The number of idle has now mounted to a total of 45,550 in the industry itself, with many more idled in the industries that supply the auto makers.

But auto men count on a pickup in sales and production with the coming of spring. They also report that dealers are selling used cars better now, which may be a hint as to how spring sales of new cars will go.

SCHOOL TRUSTEE PRESIDENT DIES

PITTSBURGH (AP) — James Mil-

holland, president of the board of trustees of Pennsylvania State University for 10 years, died Tuesday night. He was 68.

Milholland, a prominent Pittsburgh attorney and a former judge of the Allegheny County Orphans Court, had been in Magee Hospital since suffering a heart attack Feb. 5.

Educated in Pittsburgh public schools, Milholland graduated from Penn State and the University of Pittsburgh Law School. He was admitted to the bar in 1914.

In 1930, Milholland became an alumni representative on Penn State's board of trustees serving until he was elected president of the board in 1946. He was re-elected at a recent board meeting.

He served as acting president of the university after the death of Dr. Ralph D. Hetzel in 1947 until Dr. Milton Eisenhower took over in 1950.

Said Dr. Eisenhower: "For nearly 50 years James Milholland was a devoted student, alumnus and leader of the Pennsylvania State University. He worked constantly to improve the

Heart Disease Causes Half Annual Deaths

CHICAGO (AP) — Dr. Irvine H.

Page, president of the American Heart Assn., says half the annual deaths in the United States result from some form of heart disease. Although it attacks at every age, occupation and income level, the all-too-often occurrence concerns the man who attains a coronary thrombosis along with his success and bank account.

He urges moderation in the use of salt, fatty foods, sex, tobacco and alcohol, saying:

"I'd like to add that I am for all these things — in moderation," and added:

"Learn equanimity in a world full of stress and strain. Avoid fatigue; it is a warning signal."

quality of his program and to make his services available to all the people of the community.

"Students, faculty and alumni, fellow students and friends of Penn State are deeply grieved by his passing. They have lost a great friend."

Milholland is survived by his widow, Mrs. Frances Harman Milholland; a daughter, Mrs. Clay Sprecher Jr.; a son, James Jr., of New York; three sisters and a brother.

SENATOR CITES MOVE TO REVIVE SALES TAX PLAN

HARRISBURG (AP) — Sen. Diehm

(R-Lancaster) said Wednesday a move is developing in the Senate to revive the defeated 3 per cent sales tax.

"Our fellows (Republican senators) feel that's the best plan," he told a newsman. "We would have to have Democratic help though."

Diehm, long an opponent of any form of income tax, said it would require unanimous consent of the Senate to resurrect the sales levy defeated by the upper branch Jan. 18.

Dent Refuses Commitment

Senate Democratic Leader Dent refused to commit himself on whether such unanimous consent would be offered in view of the traditional Democratic opposition to a sales tax.

"I'm certainly not going to do that (consent to reviving the sales tax) at least until the House has disposed of its package," Dent told a reporter.

He referred to a 360 million dol-

lar bipartisan income-sales tax compromise shelved by the House last Thursday.

Expects Vote Next Week

House Democratic Leader Readinger said he would seek a final vote on the program next Monday or Tuesday, declaring:

"My present intention is to call the bills up for a vote next week regardless of what anyone says."

He held the same position when asked if the bills would be called even if he weren't sure it had enough votes to pass.

"We've got to get a tax program passed," he added. "We can't just sit around here and look at each other."

Smith Has Doubts

House Republican Leader Smith was anything but optimistic about the program's chances.

"I intend to ask the (GOP) caucus what they want to do," he said. "It looks like that 'side excursion' the governor talked about could prove to be a pretty long trip."

That statement referred to one made by Gov. Leader last week on the failure of the House to vote on the tax bills.

Both the House and Senate have recessed until next Monday which coincides with the deadline for filing nominating petitions for the April 24 primary election.

Readinger said he would count

noses in caucus next Monday, as-
serting:

"I hope the bipartisan spirit and agreement will still go forward as intended last week. We must get a tax program through the House and this one looks like the best we can devise. We have no more time for fooling around."

Diehm declined to predict what would happen to the House compromise package should it reach the Senate.

Sen. Barr (D-Allegheny) predicted the entire House package together with a business tax levy tied up in Senate committee would be passed and sent to the governor.

"I have talked to some of the (Republican) gentlemen on the other side of the Senate," Barr said, and "a complete program will go through."

TO BEGIN PROBE

HARRISBURG (AP) — A six-member senatorial committee will begin its probe of Farview State Hospital on Feb. 24.

Sen. McMenamin (D-Lackawanna), in fixing the date on Tuesday said public hearings into conditions at the state institution housing about 1,400 inmates probably will be held at the Wayne County Courthouse in Honesdale.
